Handcrafted in Singapore

PUTTING IT TOGETHER

We confirm orders at least 20 working days before the Big Day.

This gives us enough time to source materials, prepare the ingredients, and plan the layout of the dessert table accordingly. Last minute bookings may incur a surcharge. Sunday Folks reserves the right to cancel or reject any orders.

50% security deposit is required after signing the contract.

This will be credited to your account once we have issued the invoice. Orders are only considered confirmed once invoice is sent and deposit is paid. Full payment must be given 1 working day before the event itself.

In the event of any damage incurred to the props, decorations, cake stands, and other items provided by Sunday Folks, the security deposit will be forfeited.

If the amount exceeds the security deposit, the excess should be paid within 3 working days after the event itself.

THE BIG DAY

The Sunday Folks team will do the setup 2 hours before the event starts.

We will come back to tear down the setup and pack up the tables after the event.

All leftover pastries and desserts are for you to keep and enjoy!

Please be advised that all desserts are recommended to be consumed within the day of delivery.

FAQ

What is the difference between the D.I.Y. and Full Setup Packages?

For D.I.Y. packages, the dessert items will simply be delivered to your doorstep. Our Full Setup package, on the other hand, includes dessert table styling, props, and other accessories to enhance and accentuate the look and feel of your dessert table.

What are the other add-ons that can be provided?

Other add-ons include party favours, take-away boxes, beverages, and a sweets bar, which includes an array of our handcrafted sweets. This can be discussed upon confirmation of a dessert table package.
